Re: **Resolution 93:** A certified resolution of the Housing Authority of the City of Columbia, Missouri authorizing the purchase of materials for the Blind Boone Development prior to construction.

Executive Summary

The attached resolution authorizes the purchase of materials for the Blind Boone Apartments prior to the commencement of construction and before conveyance of the land to the project partnership, Blind Boone Housing Development Group, LP. This action is necessary to meet Boone County ARPA obligation and expenditure deadlines while maintaining compliance with HUD, MHDC, and partnership requirements. Approval will help staff meet these milestones and preserve ARPA funding for project completion

Discussion

The Blind Boone Apartments is a 27-unit multifamily development financed in part with \$350,000 in Boone County ARPA and \$350,000 in City ARPA; the County ARPA requirements necessitate certain expenditures on materials before closing and RAD conversion. The certified resolution authorizes CHA to enter into contracts and expend ARPA funds on materials for Blind Boone prior to the land conveyance to the LP.

In October and November, CHA met with the developer consultant, general contractor (E.M. Harris), partnership counsel, investor, bank, and PHA counsel to structure an approach that satisfies County requirements, while remaining compliant with HUD and MHDC. MHDC has approved execution of the general contractor agreement to meet County ARPA requirements, as this part of the process is typically completed at closing. CHA anticipates closing and RAD conversion in May or June 2026, subject to HUD and MHDC timelines. To meet the County's obligation requirements, staff request authorization to execute the General Contractor agreement and select subcontracts, such as electrical and flooring, in December 2025. CHA staff plan to expend the full \$350,000 in County ARPA funds on materials tied to these subcontracts prior to June 30, 2026, and likely in the first quarter to maintain greater focus on Providence Walkway in the near term. Materials purchased in advance will be stored and insured; CHA has obtained a quote of approximately \$3,100 annually, prorated as needed to cover insurance costs associated with the storage of \$350,000 in materials.

The contract for material pre-purchase will be executed between the LP and E.M. Harris Construction Company; however, ownership of the land will remain with CHA until the project's closing and RAD conversion. The CCHT, which serves as the sole member of the General Partner (Blind Boone Housing GP, LLC), will act in parallel through its own authorizing resolution to execute necessary contracts and expenditures on behalf of the General Partner and the project partnership.

The pre-purchase contract will be between the LP and the general contractor, while the land will remain with CHA until closing and RAD conversion in 2026. Staff recommend approval of the resolution to ensure compliance with ARPA obligation and expenditure deadlines, maintain eligibility for County ARPA funding, and keep the project on track for a timely closing and start of construction.
